No, 225. Read the following Proceedings of the Board of Revenue, dated 1st October 1864, No. 6,478.

Read the following Proceedings of the Madras Government, dated 5th September 1864, No. 1,608, Revenue Department:—

ABSTRACT.—Referring to the Board for report a letter from the Officiating Conservator of Forests, regarding the pay of a temporary Gumastah and two Tappal Peons employed in the Anamally Forests.

It appears from the explanation now afforded by the Officiating Conservator of Forests that the temporary Gumastah objected to was employed in collecting axemen at Palghaut and in making advances to them, and that the Tappal Peons were employed in conveying tappal to and from Anamally as a temporary measure. As the Government have ruled, in paragraph 3 of their Order dated 8th July 1864, No. 1,195, that the previous sanction of Government is necessary only in the case of temporary *office* establishments, the Board see no objection to the charges referred to being passed under the explanation now afforded. Charges of the kind will in futur be passed under the orders of Government above referred to.

To,

Captain R. H. Beddome
Offg. Conservator of Forests.

Sir,

I have the honor to bring to your notice that the Board of Revenue has objected to pass the pay of the Temporary Toomastah employed by this Deptt. at Paulghat. This appointment has been continued since 1st March 1864, and appears still necessary; I solicit therefore you will be so good as to obtain the Sanction of Government for the continuance of the above appointment.

2. I have also to bring to your notice that the charge for the pay of the 2 Tappal peons who are employed during the working season only of each year for conveying the post from the Anamallai Village to Tonacadavu has also now been objected to; were this indulgence discontinued the delay and inconvenience will be serious - Under these circumstances I solicit sanction for this charge also.

3. Unless it were specified what charges are admissible and what not, it would be impossible for me to draw up a correct Accounts, besides I have created no new charge, but after the forms are made as formerly, objections are taken which places me in an awkward position - These inconveniences I solicit you will be so good as to relieve me from.

I have &c

I am the honorable exn.
