*Proceedings of the Madras Government, Revenue Department,
21st October 1864.*

No. 240. Read the following Proceedings of the Board of Revenue, dated 24th August 1864, No. 5,494.

Read the following letter from G. BANBURY, Esq., Acting Collector of North Arcot, dated Chittoor, 16th August 1864, No. 193:—

1. I have the honor, in reply to the Board's Miscellaneous Circular, No. LX, dated 3rd June last, to report that new Cutcherries are required at Punganur, Kalastri, Kistnapuram, and Puthur. It is desirable that they should be completed in this order.

2. A building for the Office of the Sub-Magistrate is under construction at Punganur, on an estimate of Rupees 2,800 sanctioned by Government in their Order of the 2nd December 1863.

3. In the Order of Government, dated 30th April 1864, the Magistrate was directed to decide, in communication with the Superintending Engineer, whether accommodation for the Sub-Magistrate's Cutcherry at Kalastri should be provided by enlarging the proposed station house, or constructing a separate building close to it. It has just been decided that the Sub-Magistrate's Cutcherry should from a separate structure; and an estimate for its construction will be laid before Government by the Superintending Engineer in due course.

4. Mr. Robinson has I learn inspected Venkatagheri Cottah and its environs for the purpose of selecting a suitable spot for the location of the Sub-Magistrate's Cutcherry, and has selected Kistnapuram, two miles distant from Venkatagheri Cottah, as a suitable place. A report on this subject is still due with reference to the Board's Proceedings of the 6th February last, No. 833. The Assistant Collector Mr. Price having accompanied Mr. Robinson on his visit to Venkatagheri Cottah, I have requested him to submit a report on the matter, which when received will be forwarded to the Board. The Board are doubtless aware that Venkatagheri Cottah has long been noted for the severe fevers it has communicated to persons residing there, even for a few days, and the testimony on all sides tends to show that the removal of the Sub-Magistrate's Cutcherry from this fever-stricken spot is most desirable. Preliminaries might therefore be arranged for the construction of a Sub-Magistrate's Cutcherry at Kistnapuram.

To Board, 8th December 1863, No. 247.
To do, 8th January 1864, " 3.
From do, 2nd February " " 705.

5. A Deputy Collector's Cutcherry is required at Puthur. The correspondence noted in the margin explains the circumstances which render such a building necessary there.

Ordered to be submitted to Government in continuation of the Board's letter, dated 8th August 1864, No. 5,041.

No. 241. ORDER THEREON, 21st October 1864, No. 1,934.

Miscellaneous.

Ordered to be communicated to the Public Works Department in continuation of the Proceedings of this day's date, No. 1,932.
