Proceedings of the Madras Government, Revenue Department, 21st October 1864.

No. 242. Read the following letter from Captain T. BECKLEY, R. E., for Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 11th October 1864, No. 1,312 :—

SIR,

In September last the Superintending Engineer, 8th Division, forwarded a supplemental estimate for funds for the Tinnevelly District, applying for Rupees 4,000 for proceeding with the construction of a Nursery in the Harbour of Tuticorin for breeding Oysters. No funds having been sanctioned by Government in the Public Works Department for the execution of this work, Captain Moberly was requested by this Office to state the source from which the Nursery was to be undertaken. The Superintending Engineer replies that Rupees 10,000 have been sanctioned in the Revenue Budget, and that this sum has been placed by the Collector of Tinnevelly to the credit of the Public Works Department. Under the foregoing circumstances, I have the honor to request that Government will be pleased to direct the transfer of the above-mentioned amount from the Revenue to the Public Works Budget.
