Proceedings of the Madras Government, Revenue Department,
21st October 1864.

No. 252. Read the following Proceedings of the Board of Revenue, dated 11th October 1864, No. 6,689.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 16th September 1864, No. 202:—

1. With reference to Mr. Foord's letter dated 12th December 1863, No. 274, forwarding copy of the decision in the case of the boundary dispute between the Government villages of Vanudurru and Vadavally in Gudewadah Talook, and the village of Pedda Gonnur belonging to the Zemindar of Chevendra Mootah, I have the honor to state that, agreeably to the above-mentioned decision, the disputed land has been surveyed and demarcated.

† Dry	.. ..	73	17
Wet	.. ..	20	31
	Total ..	94	8
‡ Wet	.. ..	406	9

2. Of the whole extent* of the disputed land A. 94 and G. 8† fell to the share of Government, and the rest‡ to that of Zemindar.

3. In Fusly 1270, the Settlement Department having demarcated the whole disputed land as Government property, it was given to the Ryots on rent from that Fusly. The assessment on the whole land for Fuslies 1270 and 1271, was carried to Government account; and that for Fuslies 1272 and 1273 was held in deposit, pending the decision of the Punchayetdars ordered to be assembled by the order of the Government, to whom the Zemindar appealed against the proceedings of the Officers of the Settlement Department.

4. The amount of rent for the foregoing four Fuslies is Rupees 3,625, as shown in the above Statement; of which Rupees 559-10-8 being deducted on account of the Sist apportioned on the Government portion of the lands, there remains Rupees 3,065-5-4 on the Zemindar's portion. Of the latter sum, Rupees 1,786-5-9 appertaining to Fuslies 1272 and 1273 being in deposit, will be paid to the Zemindar, for the remainder Rupees 1,278-15-7, which has been already carried to the account of the State, the sanction of the Government is necessary, and this I request the Board will be pleased to obtain.

* Of Fuslies 1270 and 1271.

5. The usual wet land decreed to Zemindar is A. 406, and G. 9, as above stated, which was left altogether waste for about forty years prior to Fusly 1270, on account of the dispute now settled. The extent thereof brought under cultivation during the past four Fuslies by the irrigation of anicut channels, is A. 1,033 and G. 32 as detailed in the margin. The water cess on it is Rupees 1,550-11-3 at Rupees half per acre; of which Rupees 155-1-2 being deducted at Rupees 10 per cent. on account of charges of collection, there remains Rupees 1,395-10-1. I beg to be favored with the views of the Board as to whether the same should be collected from the Zemindar as appertaining to the years anterior to the date of the Government Order "which "struck out the water cess on the usual wet lands in the Zemindary Estates, &c." or whether it should be left uncollected under that order.
