Proceedings of the Madras Government, Revenue Department, 26th October 1864.

No. 335. Read the following Proceedings of the Board of Revenue dated 23rd June 1864. Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut 20th June 1864, No. 142 :—

SIR,

1. The pay bill of the Income Tax Clerk on my Establishment for the month of May last, was returned unaudited by the Civil Paymaster to be included in the monthly Revenue contingent bill of this Collectorate.

2. The contingent bill for April last is only now under preparation, and as this course would entail great delay in the receipt of the pay of the Clerk and subject him to inconvenience, I have the honor to request that until the contingent bill is regularly forwarded for audit every month, which it is expected will be done so soon as those in arrears have been prepared and despatched, sanction may be accorded for the disbursement of the salary in advance.

---

1. Submitted to Government with the request that pending the receipt of the orders of Government on the general question, which has been referred to them by the Board, the Collectors generally be authorized to disburse the pay of the Income Tax establishment as an advance to be adjusted hereafter.

2. Mr. Lodwick maintains that the Income Tax Establishment is only temporary in its nature, and that all temporary Establishments are to be included in the District contingent bill. It would seem that this rule has been acted on in Bengal to the extent that Income Tax charges are provided for in the contingent bill of a Collector given in the Bengal Civil Paymaster's Manual of Instructions.

No. 336. ORDER THEREON, 26th October 1864, No. 1,978.

Miscellaneous.

Ordered to be recorded with reference to the Proceedings of Government of this day's date, No. 1,977.
