Proceedings of the Madras Government, Revenue Department, 27th October 1864.

No. 365. Read the following Proceedings of the Board of Revenue, dated 18th October 1864, No. 6,851.

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chetterpore, 29th September 1864, No. 224 :—

I have the honor to report for the information of the Board, a further sale by public auction on the 27th instant, of Acres 405, C. 11, S. yds. 117, S. ft. 8½ of waste land for Rupees 6,319, and of the receipt of Rupees 799, being full value of lots 29, 30, and 31, and the prescribed deposit of only 32 and 33, as detailed in the annexed table. The Board will observe that the lands sold at an average rate of Rupees 15-9-5 per acre. This result is entirely due to the keen competition between two rival bidders for lot No. 33, the other four lots having been sold at little more than the upset price owing probably to the fact that they are in Goomsur. I propose that future sales of land in the Goomsur Talook shall be held at Russelcondah in the presence of the Assistant Agent, Captain Marshall, unless I am myself on the spot.

Land Revenue.

The Board will report on the propriety of raising the upset price, as competition is so uncertain as not to ensure the State a fair price for its land.
