Proceedings of the Madras Government, Revenue Department, 27th October 1864.

No. 367. Read the following Proceedings of the Court of Wards, dated 14th October 1864, No. 6,782.

Read again Proceedings of the Court of Wards, dated 18th May, 1st June, and 25th August 1864, Nos. 3,049, 3,328, and 5,511.

Read also the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Court of Wards, dated Chetterpoor, 17th September 1864, No. 45 :—

1. With reference to the Proceedings of the Court of Wards, dated the 25th ultimo, No. 5,511, I have the honor to annex a Memorandum of the annual Receipts and Disbursements at the Kimedy Treasury on account of Government and of the Zemindar respectively, also of the cost of the Treasury Establishment and Police guards for Treasury and escort duty.

2. The Court will observe that the total cost is only Rupees 1,070, and if, as already recommended, one-third of the cost be borne by Government, the charge will be only Rupees 356, a trifle when compared with the inconvenience which will be experienced if all Government transactions are to be transferred to Chicacole.

3. Heretofore the Kimedy Treasury has been treated as a Government Treasury, and the procedure laid down in the Talook Manual in respect to monthly remittances and reserves to meet expenditure has been pursued. The Peishcush has not been remitted in the manner presumed by the Court, but as each kist became due, it was debited to Kimedy deposits, and credited to Government. This seems to be the simplest method of making the adjustment, and does not appear to call for amendment whether the Treasury be declared to be a public or private Treasury.

4. Pending the decision of the Court, all payments on account of Government will be made from the Zemindary Treasury as formerly.

CHETTERPOOR,
17th September 1864.

(Signed) G. S. FORBES, *Collector.*

1. Ordered that the above papers be submitted to Government with the expression of the Court of Wards opinion that the Government must bear some portion of the cost of maintaining the Purlah Kimedy Treasury on its present footing, if the accommodation hitherto afforded by it for public purposes is to be continued, and that the amount proposed by the Collector, viz., one-third of the charges, or Rupees 356 per annum, is fair and reasonable.

2. The Collector has not included the Peishcush of the Estate in the Estimate of Government receipts.

No. 368. ORDER THEREON, 27th October 1864, No. 1,994.

Miscellaneous.

The Government sanction the payment of Rupees 356 annually to the Purlah Kimedy Estate, in consideration of the work done for Government at the Zemindar's Treasury.

PROCEEDINGS OF THE COURT OF WARDS, dated 18th May 1864.

Read the following letter from the Collector of Ganjam, dated Aska, 28th April 1864, No. 27:—

1. I have the honor to submit the accompanying Bill from the Superintendent of Police for Rupees 520-4-0, on account of the Treasury guard in the Town of Kimedy, and request the Court's instructions on the subject.

2. The Superintendent of Police explains that the Bill has been forwarded under the orders of the Inspector General. If therefore, the Court be disposed to call for further information, Mr. Robinson will, no doubt, readily supply it at once.

3. I may add that the Police are the only Government servants who are paid at the Kimedy Treasury.

4. If the charge is to be paid out of the Kimedy funds, I beg that the Court will be pleased to insert Rupees 570 as Police charges in the Budget forwarded to them on the 21st instant. It may, however, appear to the Court that a deduction should be made in proportion to the amount of Government Peshkush, which is about one-third of the whole.

ENCLOSURE No. 1.—Bill.

The Inspector General of Police will be requested to inform the Court whether he is prepared to admit one-third of the cost as a public charge.

PROCEEDINGS OF THE COURT OF WARDS, dated 1st June 1864.

Read the following letter from the Inspector General of Mofussil Police, dated Madras, 24th May 1864, No. 1,097 :—

1. With reference to the Board's Proceedings dated 18th instant, No. 3,049, I have the honor to state that I don't consider that the guard of the Zemindar's Treasury can form a proper charge on the State.

2. The general police of the estate is under Section 5 of Regulation XXV of 1862, found by the State, but the guard required for the safe custody of the treasure of the Zemindary is a charge properly belonging to the estate under your charge; in short it is a private charge, no part of which I am prepared to admit into the Imperial Police Budget.

Communicated to the Collector of the Ganjam District, with reference to his letter dated 28th April 1864, No. 27. The Court of Wards concur with Mr. Robinson. The whole charge must be borne by the Estate.

From G. S. FORBES, Esq., Collector of Ganjam, dated 25th July 1864, No. 38.

With reference to the Court's Proceedings, No. 3,328 of the 1st ultimo, I have the honor to annex a Statement showing the receipts and charges annually passing through the Zemindar's Treasury of Kimedy on account of Government, and to observe that it is scarcely just to charge to the Estate the whole of the expense incurred in guarding the Treasury, while the Government transactions in that Treasury amount to more than 50,000 Rupees annually. To transfer all these transactions to the Chicacole Treasury would be productive of great inconvenience, and in order to obviate this, I suggest that the Treasury had better be at once recognized as a public Treasury, and a portion of the cost of guarding it borne by Government.

(Signed) G. S. FORBES,

From W. ROBINSON, Esq., Inspector General of Mofussil Police, dated Kotagherry, 29th July 1864, No. 1,575.

1. I have the honor to submit herewith, in original, a letter No. 245 of the 11th July 1864, and its enclosures from the Superintendent of Police, Ganjam, relative to the objection of Mr. Forbes to the payment to the Police from the Kimedy Treasury as heretofore.

2. The expense of escorting the Government portion of the revenue from Kimedy to Chicacole and the monthly cost and inconvenience of bringing back the pay of the Police from Chicacole to Kimedy again, with the consequent loss of public time, would be saved by allowing the Government money to remain in the Kimedy Treasury for distribution of the monthly pay of the Police Force located there.

3. The arrangement is so obviously expedient that I venture to request the Court of Wards will be so good as to issue instructions to the Collector of Ganjam to continue the mode of payment from the Treasury in question, as has been done heretofore. Should the Court think that any charge should be paid for this convenience and saving of time, I shall be glad to learn their views.

ENCLOSURE No. 1.

From Captain R. A. W. C. STUART, Superintendent of Police, Ganjam District, to W. ROBINSON, Esq., Inspector General of Police, Madras, dated Chetterpore, 11th July 1864, No. 245.

I have the honor to bring the following correspondence to your notice, and shall feel much indebted by your obtaining the sanction of the Court of Wards, or of Government, for the disbursement as heretofore of the Kimedy Constabulary pay from the Treasury there. As usual on C Form, I requested the Deputy Collector, Mr. Lyons, to cause payment of the Kimedy men's pay for June being paid to the Inspector in charge; that Officer, *vide* copy of his letter attached (No. 1) informed me he could not do so, and that pay for such men must be drawn at Chicacole for the reasons therein assigned. Under the impression that this was a mistake of the Deputy Collector, I sent a copy of his letter to the Collector, Mr. Forbes, with one from myself (a copy of the same attached, No. 2); copy of the Collector's reply is also attached (No. 3), from which you see Mr. Forbes objects to pay our men from the Kimedy Treasury. I can hardly think that such extreme strictness of the reading of the late order with reference to the Police Department charging for the guard over the Treasury at Kimedy would, or need be considered necessary by the Government, and as Mr. Forbes states about one-third of the kist of Kimedy estate is the property of Government, I fancy that this amount divided over twelve months would cover the amount required for the pay of the Police, and would if disbursed to them monthly save the expense of escorting the Government portion of the revenue to Chicacole. If it will be necessary for the Inspectors to proceed monthly to Chicacole to draw pay, &c., I need not point out to you the great loss of time and service this will entail on the Police, and tend to delay the Pay Bills. I would remark that it is possible, I am of opinion, should this rule be carried out that Government Currency notes might be refused at Kimedy Treasury; otherwise we might be able to remit the pay in notes from this Treasury.

ENCLOSURES 2 to 4 in No. 1.—Correspondence.

---

1. The Court gather from the Collector's letter that in the last Fasli Rupees 25,638 were paid into the Purlah Kimedy Zemindar's Treasury on account of Government, and Rupees 30,599 disbursed from it on the same account, the Zemindar being it is presumed allowed credit for the difference in making payment of the Government Peshkush into the Chicacole Government Treasury.

2. When recently the Inspector General of Mofussil Police directed the Superintendent of Police in Ganjam to charge the Estate for the Police Guard, and declined to allow any portion of the cost as a public charge, the Collector as it would seem very properly proceeded to reduce the cash in the Zemindar's Treasury to the lowest possible amount, so as to limit the expense of guarding to the Estate.

3. The consequence is that the funds to pay the Police have to be brought now from the Government Treasury at Chicacole, and the Collector points out that further inconvenience must follow the transfer of all the Government transactions hitherto managed at Purlah Kimedy.

4. At the same time it is evident that the Estate ought not to be charged with the cost of managing Government receipts and disbursements, and guarding cash for public expenditure, and the Collector proposes that the Treasury be recognized as a public one, and that a portion of the charge of guarding it be borne by Government.

5. The Court consider that the proposal is an equitable one, and they request the Collector to forward a statement of the whole annual cost of the Treasury Establishment and Guards, and of the annual amount of Receipts and Disbursements at it, on account of Government and of the Zemindar respectively; also to explain what distribution of the cost he proposes to make, and how he proposes to arrange in regard to the payment of Peshkush. The Board presume that at present cash is actually remitted from Purlah Kimedy to Chicacole on this account, and it needs to be considered whether this is necessary to the extent of the interest on the amount invested in Government paper. It would however still be necessary to remit surplus funds for investment to the nearest Government Treasury, and the Collector will judge how far the frequency of such remittances is likely to be increased by crediting the interest on the invested capital to Peshkush, and whether the arrangement would invole increased expense to the Estate, and inconvenience in adjusting its accounts.

6. Pending further orders the Court wish the Collector to afford the facilities hitherto enjoyed for adjusting Government payments by the medium of the Zemindar's Treasury.
