Proceedings of the Madras Government, Revenue Department, 28th October 1864.

No. 377. Read the followiug Proceedings of the Board of Revenue, dated 10th October 1864, No. 6,667.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Ootacamund, 21st September 1864, No. 203 :—

1. I have the honor to forward a Statement, showing the extent and assessment of lands proposed to be given to certain village officials in lieu of their Inám lands, which have become unproductive.

2. The aggregate extent of unproductive land is Acres 55, Roods 2, Poles 4, and Yards 23, bearing an assessment of Rupees 77-10-1 ; that proposed to be given in lieu of the above land, measures 68 Acres, 3 Roods, 15 Poles, 13 Yards, and 2¼ Feet, assessed at Rupees 77-8-10.

3. In one instance only, the Monigar requests that land may be allotted to him from his Puttah lands; in four instances, the grant is proposed to be made from the holdings of other Ryots who agree to this arrangement. In two other cases, lands will be given from Government waste. As there appears to be no objection to this measure, I request the Board of Revenue will be good enough to obtain the sanction of Government to this arrangement.

4. The village officials concerned admit that the income derived from their present Inám will be equal to the assessment of the lands now selected by them.
