Proceedings of the Madras Government, Judicial Department,
21st October 1864.

No. 153. Read the following letter from W. M. CADELL, Esq., Collector of Tanjore ; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Vallam, 7th October 1864, No. 1056.

I have the honor to report, for the information of Government, that the building lately used as the Jail at Combaconum is rapidly going to ruin, and is already overgrown with jungle and other shrubs.

2. I have ascertained that the building is not likely to be required as a Jail, nor is it required for any other public purpose. I therefore beg to recommend that I be authorized to pull it down, and to dispose of the materials to the best advantage.

3. The buildings lately occupied as the Taluq Cutcherries of the late Taluqs of Cuttallam, Codavasal, Perallam, Velangaman, and Trivalur, are also now altogether unoccupied, except a small portion of each for the Police station and at the two latter stations, a part also is occupied by the town Sub-Magistrates for their office. I would therefore also take leave to recommend that such parts of these buildings as are not required should be pulled down and the materials likewise disposed of.

No. 154. ORDER THEREON, 21st October 1864, No. 1522.

The Government authorize the Collector to have the building mentioned in paragraph 1 pulled down, and to sell the materials.

2. As regards the five Taluq Cutcherries, the Government wish to know whether it would not be more advantageous to sell them, and with the proceeds build station-houses for the Police and offices for the Sub-Magistrates.
