PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th October 1864.

Read the following letter from J. FRASER, Esq., Officiating Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cocanada, 26th September 1864, No. 243. :—

1. I have the honor to acknowledge the receipt of the Board's Proceedings No. 4,707, dated 26th July last, and to forward the enclosed plan and estimate sent to me by the Superintending Engineer, First Division, for certain additions and alterations to the Press and Record rooms.

For Rupees. 567.

2. He requests that the sanction of the Government for the same may be obtained, the improvements estimated for being a new work. He also requests sanction for funds from the current year's reserve, there being none available from the allotments for the District.

3. The skylights proposed are to throw a proper amount of light into three rooms in which writers now sit and work, but which are so dark, that, in a cloudy day, they can hardly see. They can be lighted in no other way.

4. The proposal for the new Press room is in order to give the Salt Deputy Collector a decent room to sit and work in. His present office is a mere den, which will be unbearable in the hot season.
