No. 141. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 31st October 1864, No. 179 :—

SIR,

1. I have the honor with reference to paragraph 11 of Government Order No. 1,977, dated 26th instant, respectfully to state that I can in no way explain why the Revenue Board Abstract should give so much trouble in preparation.

* Vide form annexed.

2. That Abstract is precisely similar to all others in the Presidency,* and drawn up in the manner sanctioned under Government Resolution No. 130 of the 23rd February 1864, Financial, being in accordance with the form adopted in Calcutta.

3. The necessity for having all the Peons' names given arises from that class of servants having been under late orders made eligible to compassionate allowance on discharge, which entails on this Office a scrutiny of their past services, and thus makes it obligatory on the Pay Office to have the details of their service in the Registers.

4. There seems no necessity whatever for the entry of a few names to cause the delay referred to, and I should consider any second-rate Clerk in my Office as extremely to blame if he spent more than six hours in preparing such an Abstract as that of the Revenue Board† for audit.

† It will be seen that exclusive of menial servants there are 75 numbers in the Board's Abstract. In mine there are 58, and menial servants' pay not being liable to Income Tax gives no trouble in the entries.

5. The other points of the Government Resolution being about to form the subject of a letter to the Supreme Government, which will pass through His Excellency in Council, I do not allude to now.

No. 142. ORDER THEREON, 12th November 1864, No. 2,075.

Miscellaneous.

1. Communicated to the Board of Revenue for any remarks they may wish to offer.

2. With reference to paragraph 5 of his letter, the Civil Paymaster is informed that any observation he may desire to make on the Resolutions of this Government must, in the first instance, be addressed to them. He can then, if he wishes it, address the Supreme Government.

(True Extract.)

(Signed) J. D. SIM,
Secretary to Government.

To the Board of Revenue.

THE SECRETARY TO GOVERNMENT

Revenue DEPARTMENT

Sir,

I have the honor with reference to Government Order No. 1977 dated 20th instant 186 , to request, leave to state that I am in no way explain why the Revenue Board Abstract should give so much trouble in preparation.

2nd That Abstract is precisely similar to all others in the Presidency and drawn up in the manner sanctioned under Government Resolution No 130 of the 22nd February 1864 last being in accordance with the form adopted in Calcutta.

3rd The necessity for having all the Pensioners given credit from that Class of Servants having been under late orders made eligible to compensation allowance on discharge which entails on this office a recasting of their past service and thus makes it impossible for the Pay Offices to have the details of their services in the Registers.

4th There seems no necessity whatever for the entire of a few names because the delay reported to * should occasion any 2nd rate Clerk in my office an extreme trouble if he chose more than 2 hours in preparing such an Abstract as that of the Revenue Board.

5th I do not think it necessary to forward the contents of a letter to the Supreme Government which must pass through the Excellency in Council I do not submit it now.

I have the honor to be,
Sir,
Your most obedient Servant,

Civil Paymaster.

* It will be seen that exclusive of Clerical servants 22 Pensioners as the Board's Abstract. In addition there are 58 Pensioned Servants being under Civil Offices to Revenue Law gives no trouble in the matter.
