Read the following papers :—

No. 165. From F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 23rd August 1864, No. 104.

SIR,

1. With reference to the Budget grant for the current year on account of the District Tappal Establishment debitable to "B IV. Miscellaneous," viz., Rupees 35,070, I have the honor to bring to the notice of Government that the Board of Revenue, in their Proceedings of the 11th instant, No. 5,136, state that a sum of Rupees 54,376 will be required in excess of that amount, to meet the cost of the new Establishment (to be entertained from 1st August) sanctioned by the Government of India in their Financial Resolution No. 452, dated 27th May 1864, recorded in the Proceedings of Government in the Revenue Department, No. 1,186, dated the 8th ultimo.

2. The savings under "B IV, Miscellaneous" are not sufficient to meet the above deficiency, and I request therefore that an application may be made to the Government of India, for the transfer to this head, of Rupees 55,000 from "B I. 1 Land Revenue." The grant and the actual expenditure, under this head, are as follows :—

		RS.
Average amount of grant for three months...	... ...	11,72,128
Actual expenditure from May to July 1864	... ...	10,52,986
	Savings...	1,19,142

3. Pending sanction of the above transfer, the Civil Paymaster may be directed to pass the charge under the provisions contained in the Financial Resolution of the Government of India, No. 988, dated 20th February 1864.

No. 166. From C. G. MASTER, Esq., Secretary to the Board of Examiners, to the Chief Secretary to Government, Fort Saint George, dated Madras, 1st November 1864, No. 461.

SIR,

1. I am directed by the Board of Examiners to solicit that the subject of my letter of the 9th July last, recorded in G. O. 23rd idem, No. 852, Public Department, may be now taken into consideration.

* 5 studying for the Major Reward.
9 employed or about to be employed in Public Office, and all reading for the Minor Reward.
12 unpassed Students.

2. The number of last year's students still looking to the Board for their salaries is 26* and, under present rules, no diminution in their number can take place before the end of the current official year. The estimated expenditure on their account from November 1864 to March 1865 is estimated at Rupees 51,800.

† Of these, three have already arrived.

3. Twenty-one† fresh students are expected, Rupees 30,000 will be probably required for them.

4. To meet this demand of Rupees 81,800, or in round numbers Rupees 82,000, there will be a balance in the Budget after October's pay is disbursed of Rupees 17,877, so that a sum of Rupees 64,123 will be required to make up the deficiency.

51,800
30,000
81,800

5. It is not improbable that the Budget grant of Rupees 20,000, allowed on account of "Rewards," may prove insufficient. Payments amounting to Rupees 7,200 either have been or are about to be made on this account, and if the students now reading for honors pass before the end of the year, and it is quite possible that they may, an addition to the balance (12,800) of Rupees 2,400 may be required. The Government will remember that the original Budget estimate of Rupees 35,000 was considered too high.

G. O. 19th December 1863, No. 412, Public Department.

6. It is also possible that there may be a small deficiency in the amount of travelling allowance for Assistants. There has been a larger expenditure than was anticipated on account of the expenses incurred by Assistants for attending upon the Committees convened to examine them in a third language.

G. O. No. 22nd July 1864, No. 838.

	Rs.
Paragraph 4 above	64,123
Paragraph 5 above	2,400
Paragraph 6 above	433
	66,956
Deduct saving in paragraph 7...	5,414
Net deficiency...	61,542

7. If the balance to credit (expected) on account of Moonshees, viz., Rupees 5,414-5-5, may be applied to meet deficiencies, the total sum actually required to meet the necessary expenditure till the end of the year will be Rupees 61,542, or in round numbers Rupees 62,000.

8. I am therefore directed to request that this sum may be made available instead of the amount (Rupees 50,000) asked for in my letter of the 9th July last.

9. A Statement, exhibiting in detail the expenditure of the past months and the calculations on which the present revised estimate has been made, is herewith forwarded.

Referred to the Revenue Department where it will be determined whether the charge can be met from the Revenue Budget.

FORT SAINT GEORGE,
4th November 1864.

Chief Secretary.
