Proceedings of the Madras Government, Revenue Department,
15th November 1864.

No. 168. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 28th October 1864:—

SIR,

1. I am directed by the Board of Revenue to request that instructions may be given to include in the Department Public Works Budget for 1865-66, the sanctioned estimate for the upper story on the sea front of the Board's office, which was included in the current year's Budget, but for which funds were not granted by the Supreme Government.

2. The Board direct me at the same time to request that the sanction of Government may be obtained for the addition of a verandah on the south front of their office, the want of which is very much felt by all the officers who are accommodated in the building.

3. This front is exposed to the full force of the sun during office hours, and the venetian shutters are a very insufficient defence from the heat.

No. 169. ORDER THEREON, 15th November 1864, No. 2,088.

Miscellaneous.

Referred to the Public Works Department, in view to the sanctioned estimate for an upper story being included in the Budget of next year, and to an estimate being prepared for a verandah on the southern side of the office.

(Signed) J. D. SIM,
Secretary to Government.
