Proceedings of the Madras Government, Revenue Department, 17th November 1864.

1. Ordered that the above papers be submitted to Government, with the Board's recommendation that the Acting Collector of North Arcot be authorized to grant K. 1, A. 5, Ch. 12 of fresh land, assessed at Rupees 10-14-11 in lieu of K. 1, A. 5, Ch. 0 of Curnum and Taliary Ináms, assessed at Rupees 10-15-11, which were appropriated for the Palar Anicut Channel.

2. The Ináms were taken in Fusly 1263, and for the past eleven years up to the close of Fusly 1273, during which the Inámdars have been out of possession of their Ináms, the Acting Collector proposes to pay them the annual assessment of their Ináms which amounts in the aggregate to Rupees 120-15-1, viz,

Rupees 50-8-6 to the Curnum.
" 70-6-7 to the Taliary.

The Board recommend that the proposed compensation be sanctioned. Mr. Fraser, in his letter contained in the Board's Proceedings recorded above, explains that it is impossible in the case of these Ináms to ascertain what the annual net profits have been, as the owners keep no accounts; but that he has assumed them to be equal to the annual assessment of the land taken.

3. The Board presume that a separate Statement will be submitted for the "Sunnud Inám," which is included in the first letter, but omitted from the Statement, which is the second paper recorded above.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th October 1863.

Read the following letter from J. FRASER, Esq., Acting Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 9th October 1863, No. 204:—

1. With reference to paragraph 4 of the Board's Proceedings dated 21st November 1862, No. 7,665, I have the honor to request that the Board will obtain sanction for granting fresh lands as Inams in lieu of those taken for the Palar Anicut channel in Fasli 1263.

2. Particulars of the Inams taken, and those recommended to be granted are shown in the subjoined Statement for the sake of easy references:—

	Lands taken up.			Fresh lands.	
	Description of land.	Kanis.	Assessment.	Kanis.	Assessment.
Kurnum Inam.....	Wet.	0 5 4	4 9 6	0 6 4	4 10 10
Sunnud Inam...	do.	3 0 0	18 6 0	3 1 4	16 2 8
Taliar Inam...	do.	0 15 12	6 6 5	0 15 8	6 4 1
Total...	.....	4 5 0	28 5 11	4 7 0	27 2 3

3. In his letter dated 1st April 1863, No. 41, Mr. Barlow reports that the net profits realized by the Inamdars from the lands in question cannot be ascertained.

4. The Sunnud Inams appear to have become unfit for cultivation for several years before being taken for public purposes; and therefore I recommend no compensation for annual loss in this case.

5. It is impossible in the cases of the Kurnums and Taliary Inams to ascertain what the net profits have been, as such people keep no accounts; the amount must be assumed. This I would make equal to the annual assessment of the land taken, and the sum to be then disbursed will be,

	Rs.	A.	P.
Kurnum Inam.....	45	15	0
Taliaries do.	64	0	2
Total.....	109	15	2

being the amount of profit lost to each for ten years.

Provision is made in the Budget Estimate to meet the charge in question.

The Acting Collector's attention is directed to the Board's Circular Orders noted in the margin, which prescribe certain Tabular forms for applications for fresh grants to Village Officers and Inamdars in general, in lieu of their Inams which may be taken up for public purposes, or in the case of the former class of individuals, may become uncultivable. The requisite Statements should be submitted with the least delay practicable, as ten years appear to have elapsed since the lands were taken up.
