Proceedings of the Madras Government, Revenue Department,
19th November 1864.

No. 238. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 7th November 1864, No. 1,700 :—

SIR,

1. I have the honor to bring to the notice of Government that in addition to the amount asked for in my No. 1,099 of 15th September 1864, for the completion of the Water project in the town of Madura, Rupees 1,000 will be required to replace a sum deducted by the Collector as proportion of charge for Public Works salaries, establishments, &c.

2. In G. O. No. 641, 1st April 1862, sanction was accorded for Rupees 16,138 under the impression that Rupees 6,862 would be available from Local funds, or more properly speaking surplus Devastanam funds.

3. I submit that this sum is merely a deposit in the Treasury for safe keeping; there are no future payments made to it and any deduction from it cannot be replaced at a future period as in the case of the other funds, the Collector however considers that the Water project should bear its share of the cost of Establishment, and therefore makes this deduction from the only grant it possesses.

4. If the Government consider that he is right I beg that they will make it good from other funds.

Referred to the Revenue Department.
