*Proceedings of the Madras Government, Revenue Department,
21st November 1864.*

No. 251. Read the following letter from F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to the Government of Madras, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 7th November 1864, No. 149 :—

SIR,

1. With reference to the Order of Government, No. 1,935, dated 21st ultimo, Revenue Department, I have the honor to state that provision for the construction of the Oyster Nursery in the harbour of Tuticorin, to the extent of Rupees 10,000, having been sanctioned in the current year's Budget, under B IV Miscellaneous, all expenses on this account should be passed against that head.

2. The above Government Order refers to another, No. 1,540, dated 25th August 1864, a copy of which I obtained from your Department, but as neither of these orders conveyed any authority to the Collector of Tinnevely to place the above sum at the disposal of the Superintending Engineer, 8th Division, I wrote to the Collector on the subject, on the 27th ultimo, but his reply has not yet been received. As the Government in their further Order of the second instant, No. 2,015, request me to expedite my reply, I beg to state that, as the work is not defrayable from the Public Works funds, I concur in the opinion of Government, that no transfer of funds will be necessary, but monies may, upon the application of the Superintending Engineer, be advanced by the Collector to the Executive Engineer entrusted with the work, to be adjusted in due course upon bills countersigned by the Superintending Engineer, and passed by the Civil Paymaster.

Ordered to be communicated to the Controller of Public Works Accounts, with reference to the Order dated 21st October 1864, No. 1,935. The course proposed in the latter part of this letter is approved and Mr. Lushington will issue the necessary instructions.
