SIR,

1. Military Department Order, No. 54 of 7th instant, forwarding for my information copy of Order of 24th December, No. 2,374 of 1863, reached me at Cuddapah.

2. With reference to paragraph 9 of 2,374, I have the honor to submit to His Excellency the Governor in Council that it is my wish to illustrate my recent work, by publishing lithographic drawings of all the timber trees of Eastern and Southern Asia mentioned in it; and I have no doubt that, when the illustrations appear in a completed form, they will command attention.

2. I have entertained a Draughtsman and will obtain from the Records of the Forest Department, and Dr. Roxburgh's Plants published in 1797, by the East India Company, as also from the trees in our Gardens, the means of doing what is required, and I will provide paper ; and all I ask of Government, is that I may be permitted to have the lithographs struck off at the Chief Engineer's Press, for which also I would wish to pay whatever may be the customary charges for such work, of putting on the stone and striking.
