Dated 21—11—1864.

Not to be folded or roughly handled

No. 254. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Cannanore, 8th November 1864, No. 170 ;—

SIR,

1. I have the honor to request sanction for the accompanying estimate of Rupees 2,849, and permission to included it in the Canara Budget List of 1865-66. It is revised from an estimate of Rupees 2,420, for the same work approved in G. O. No. 2,609 of 1st November 1862, of which subsequent experience on the Munjerabad road has shown the insufficiency of its rates. The plan is the smaller standard one for Bungalows.

Enclosure 1.

2. Such a building is greatly wanted not only at Oopinangady, but also at Goletuttoo, or rather at another village which divides the twenty-four miles between that place and Seradi better. And as there will not be such heavy work on the Munjerabad road next year as in the two previous years, I think both buildings might as well be carried out simultaneously. The line is more and more used every year by Europeans connected with Coffee cultivation in Mysore, and the provision of good Bungalows for them is highly desirable. That existing at Oopinangady has been barely habitable for many years, to my knowledge; half way to Seradi there is no Government accommodation provided.
