2

Proceedings of the Madras Government, Public Works Department, 11th November 1864.

No. 211. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Sultan's Battery, 12th October 1864, No. 133 :—

SIR,

1. I have the honor to forward a survey of the road from Pollachy to the foot of the Anamullay hills, at Toonecadavoo, with plans and estimates for its completion and repair. These were originally called for in G. O. No. 2,096 of 3rd September 1862, which was first brought to my notice by paragraph 8 of G. O. No. 1,057 of 13th April, since which time the changes in the Pollachy Range have been so many that not till lately had their preparation been taken in hand in earnest.

2. The papers now submitted seem to have been carefully drawn up, and were funds available, I should apply for Rupees 10,000 on account of the work at once, as I hear bad accounts of the line from the Forest Department, especially that portion nearest the foot of the hills, and as land has already commenced to be taken up on them by planters. It is no use making a road without maintaining it, especially if it is to stand timber traffic; the entries on account in next year's Budget I therefore propose to be Rupees 20,000 for new works, and Rupees 1,760 for maintenance, at Rupees 110 per mile for 16 miles.

No. 212. ORDER THEREON, 11th November 1864, No. 3,232.

The Government sanction the entry of the estimate of Rupees 21,640 for the improvement of the road from Pollachy to the foot of the Toonecadavoo Ghát, in the Budget of 1865-66. The grant of a maintenance allowance for the line for the year in which the improvements to it are being carried out, would be in contravention of the ruling in paragraph 66, Chapter V of the Code; but the Government will be prepared to consider the application, if the nature and amount of the traffic is found to be really such as to render the grant of an allowance for maintenance indispensable during that year.
