No. 277. Read the following Proceedings of the Board of Revenue, dated 12th November 1864, No. 7,376.

Read the following letter from Æ. R. McDONELL, Esq., Officiating Collector of Trichinopoly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 25th October 1864, No. 234:—

1. With reference to the Circular Order of the Board of Revenue and the Proceedings of Government noted in the margin, I have the honor to request that necessary sanction be procured for the purchase of Inám lands taken up by the Great Southern India Railway Company for the Erode extension, by the Deputy Collector R. Ragunada Row, without reference to higher authorities, as he was permitted to do in Kurnool. If the permission be not granted, application in each individual case will have to be submitted to Government, and until their sanction is obtained, the transfer of land, which the said Company is now in immediate want of, will have to be delayed.

Board of Revenue, 10th July 1858.
Government, Revenue Department, 14th September 1859, No. 1,236.

2. To grant land of equal value to that taken up, as directed in the Order of Government above referred to, would be a difficult task in this District, where there is not such culturable waste in Government possession, at least such as would be in any way equal in quality to that of which the Ryots will be deprived, and which they would be willing to accept in exchange. If this rule be not departed from, it would necessitate the purchase of Circar lands of equal value from Ryots, the Government assessment on which must be remitted in favor of the Inámdar. I would therefore request that this District may be exempted from the operation of the said order, and sanction be granted for the purchase of Inám lands also by the Deputy Collector.

3. As the Board and Government are already aware of the manner in which similar work has been performed by Deputy Collector R. Ragunada Row in the Kurnool District, I trust that Government will be pleased to authorize him to follow the same course in this District also.

4. I beg to add for the information of the Board, that the Inám settlement of this District has not yet been completed.

Submitted to Government for the usual sanction.

No. 278. ORDER THEREON, 22nd November 1864, No. 2,142.

Miscellaneous.

The Board are requested to state whether this duty, which the Government presume necessarily involves absence from Trichinopoly, will not interfere with the Deputy Collector's Treasury duties.
