Proceedings of the Madras Government, Revenue Department, 5th February 1864.

No. 120. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, to the Chief Secretary to Government, dated Fort Saint George, 23th January 1864, No. 2 :—

SIR,

1. I have the honor, with reference to the accompanying copy of a letter, No. 281, dated 19th instant, to request that His Excellency in Council will be good enough to give permission for the charge referred to being met from the savings indicated by the Deputy Collector of Tanjore.

2. I was under the impression that the charge should have been audited by the Military Department, as it audits *current* charges of a similar kind, but the Acting Deputy Auditor and Accountant General has given me to understand that he thinks differently and has suggested the present reference to Government.

From C. THEROOVENGATIAH, Deputy Collector in charge of the Treasury, Tanjore, to R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George, dated Tanjore, 19th January 1864, No. 281.

SIR,

1. I have the honor to submit a Bill for Rupees 1,340-15-0, being the amount of rice compensation due to Military Pensioners employed in the Civil Department in charge of Talook Treasuries, &c., for the year 1858. The sum having by an over-sight been neither drawn nor paid to the Pensioners at the time, they continue to urge their claim for the payment of the same, their services having been dispensed with since the introduction of the new Police.

2. The accompanying necessary Abstracts* were forwarded to the Military Paymaster, Trichinopoly, on 24th September 1863, who in his final reply, dated 24th November last, (a copy of which is enclosed) points out that the Bill should be forwarded for audit to the Civil Paymaster, being the competent authority to audit the charge agreeably to the Proceedings of the Board of Revenue, dated 13th May 1859, No. 1,744; under these circumstances, the Bill is now submitted for audit.

* 12, with two Certificates to be returned.

3. If you consider that the amount cannot be passed without provision being made in the Budget for 1863-64, I beg to state that a sum of Rupees 1,500 under I. Land Revenue for Temporary Establishment can be made available to meet the charge, as there is little prospect of the amount being spent in this year for the object contemplated.

(Signed) W. DONALD,
Chief Assistant to the Civil Paymaster.
