Captain R. H. Beddome
Offg Conservator of Forests

Sir

I have the honor to request you will obtain the Sanction of Government to my transferring 2000 Rs from the Wynaad Forests Working Charges for 1863-64 to the working Charges of the Wynaad Forests. This Amount is urgently required for the Wynaad Forests and can be spared from those of Wynaad.

2. The fact of my requiring more money than I Estimated for has been brought about by various causes such as increased rates of Cart hire, owing to the great demand there has been this year for carts. - The fact of my having to cart much of the Teak more timber than I Expected not having been able to sell any in it and also by my having got through more felling than I Respected to be able to do. - In fact if you could spare 2000 Rupees more from any other Forests I would be able to spend it advantageously. - For although the Forest may not pays its expenses this Year. I am storing such a large quantity that the benefits must be reaped some time hereafter.

I.

I have got every thing in good working order and as it would be a pity to stop it now for want of funds. I hope you will be able to let me have the 2000 Rupees from some other Forest and trusting that there will be no objection to the transfer of the 2000 Rupees from the Hurrah Forest I have entered the whole amount now due to that Forest. viz 2816-13-9- in the Quarterly Estimate for February as being required for that month. in order that it may be available at the earliest date possible.

I have the honor to
Sir
