Proceedings of the Madras Government, Revenue Department, 6th February 1864.

No. 138. Read the following Proceedings of the Board of Revenue, dated 23rd January 1864:—

Read the following letter from G. BANBURY, Esq., Acting Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 8th January 1864, No. 11.

SIR,

1. In their Order* of the 23th August 1863, No. 1,582, the Government sanctioned the continuance of the Field Department of the Madras Town Survey Establishment to the end of October 1863, and of the Registry Department to June 1864. This sanction was applied for by Mr. Ellis on the representation of Major Priestley that he would be able to send the Survey Registers and Plans to the Madras Deputy Collector's Office in August 1863. But these have not as yet been furnished to this Department.

* Board's Proceedings, 31st August 1863, No. 5,436.

2. On the receipt of the Board's Proceedings, No. 7,641 of the 4th ultimo, communicating the sanction of Government for continuing till the 31st instant the Establishment allowed for the Survey of the Tondyarpet Division of the Town of Madras, I requested the Acting Superintendent of Revenue Survey to let me know when the Registers and Plans would be ready. He has informed me in reply that he will not be able to furnish them to this Office before the beginning of February 1864. I am therefore necessitated to apply for fresh sanction, and request that the Registry Department attached to the Madras Deputy Collector's Office may be retained till the end of December 1864, due provision having been made for the expenditure in the Budget of 1864-65.

Ordered that the letter above recorded be submitted to Government, with the Board's recommendation that the Registry Department of the Madras Town Survey Establishment be retained until the end of December 1864, provision having been made for the cost in the Budget of 1864-65.

No. 139. ORDER THEREON, 6th February 1864, No. 232.

The Government sanction the retention of the Registry branch of the Madras Town Survey Establishment until the end of December 1864, at a cost of Rupees 182 per mensem.
