Proceedings of the Madras Government, Revenue Department, 8th February 1864.

No. 140. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 27th January 1864, No. 4,752:—

SIR,

1. With reference to the Proceedings of Government No. 3,616, dated 8th December 1863, I have the honor to submit a revised Estimate amounting to Rupees 1,020 for setting up light, ornamental, cast-iron columns to support the beams of the outer verandah of the Sea Custom House at the Presidency.

1 Abstract Estimate.

2. The fourteen columns required can be obtained from the Foundry at the Mint at a cost of Rupees 770. The remainder of the Estimate provides for setting them up, for roof repairs, &c.

3. In my letter No. 3,538, dated 23rd November 1863, I reported that it would not be advisable to defer until next year the adoption of measures for securing the verandah beams, and I therefore request that sanction may be given for the immediate execution of the accompanying Estimate from the funds marginally noted, as the whole of the sum allowed for repairs to "Revenue" buildings has been allotted to other works.
