Proceedings of the Madras Government, Revenue Department, 11th February 1864.

No. 174. Read the following letter from J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 4th February 1864, No. 369:—

SIR,

1. With reference to G. O. No. 191, dated the 3rd instant, I have the honor to enquire whether all the receipts and payments on account of all the Local Funds, should not be included in the Budget Estimate of the Public Works Department, instead of, as at present, two Estimates on the same account being rendered by two separate Departments. If this course be adopted, the whole information on account of Local Funds will be consolidated in one view.

2. Should the Government approve I will cause the information now in this Office regarding the other Local Funds* be sent at once to the Secretary to Government, Public Works Department.

* School Fee Fund.
Port Fund.
Emigration Fee Funds.

No. 175. ORDER THEREON, 11th February 1864, No. 251.

The Government are of opinion that all the Local Fund Budgets should be sent together to the Government of India in the Financial Department, but it is undesirable that any change of system should be adopted at this late period. The Public Works Department will, therefore, only forward those Budgets which have hitherto been sent to the Government of India in that Department.
