Proceedings of Government, Revenue Department.

From the Collector of Nellore to the Officiating Civil Paymaster.

(Here enter 5th December 1863.)

Report of the Civil Paymaster.

(Here enter 11th January 1864, No. 21.)

1. The service of the applicant, as stated by the Civil Paymaster in the foregoing report, amounts to 29 years, 2 months and 6 days, previous to 31st December 1861, and entitles him under the Rules then in force to a pension of one-third his salary.

2. It appears, however, from an Order of Government, Revenue Department, dated 7th October 1863, No. 1,839, which is quoted in the Register of application, but to which no reference is made by the Civil Paymaster, that it has been decided by Government that Pokala Krishniah was improperly deprived of his situation in January 1862; and it being for reasons stated not deemed advisable to order his re-employment, that it was directed he should be allowed to count as service the whole time that had elasped since that dismissal, and should apply for a pension. The time thus included in Pokala Krishniah's service counting for pension is 1 year, 9 months and 7 days, and makes his total period of service on 7th October last, 30 years, 11 months and 13 days, for which he is eligible under the rules in force on that date to a pension without Medical Certificate of half his salary.

3. The Governor in Council is of opinion under all the circumstances, that the case is one in which the full pension authorized by the Rules should be allowed, and is pleased accordingly to award to Pokala Krishniah, under Section 6 of the Revised Rules, a good service pension of Rupees 17-8-0, or half his salary with effect from the 7th October last.
