 recently brought to notice * Lt 30 July 1863 and
 that great delay taken January 1864 No 115
 place in the transcription
 of the maps, along the
 line measurement of the
 length of the stages.
 He stated that the 11
 runners are divided into
 7 stages, and that the
 average distance of each
 stage is no less than 14
 miles. To place the line
 on an efficient footing,
 he proposed to alter the
 stages so far as practicable
 in view to rendering them
 easier, and to strengthen

being opened up very fast,
he has no doubt that the
collections will considerably
increase when the line is
rendered efficient.

5 Under these circumstances,
and as the arrangements
recommended by the Collector
are supported by Mr Kelly,
the Govt will resolve to
sanction them at an addi-
tional cost of Rs 24
