Proceedings of the Madras Government, Revenue Department, 24th February 1864.

No. 311. Read the following Official Memorandum from R. W. LODWICK, Esq., Civil Paymaster; to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 18th February 1864, No. 42 :—

Your Official Memorandum No. 23, dated 16th instant.

With reference to the Memorandum from the Board of Revenue, which accompanied the above, the Civil Paymaster has the honor to state that his previous Memorandus were written, with reference to the provision Rupees 3,000 under F,IX for "Freight and Landing charges" allowed to the Sea Customs Office. Mr. Hudleston is quite correct as to the Rupees 1,500 being included in the Budget on the same account, but that sum is entered in B,IV.

Bills have been passed by this Office against both these provisions to the following extent, viz. :—

	Rs.		Rs.	A.	P.
Against	1,500 in B,IV...	...	536	13	0
„	3,000 in F,IX...	...	1,957	15	0

leaving balances respectively of Rupees 963 and Rupees 1,042 still available for future bills to the close of the current year.

2. Should the first named balance prove insufficient to meet charges up to the end of this year the surplus can be passed against the sum of Rupees 2,800 in B,IV (the item immediately below the Rupees 1,500) to which no bills have been debited.

No. 312. ORDER THEREON, 24th February 1864, No. 333.

The suggestion made in paragraph 2 of this Memorandum has already been anticipated in paragraph 2 of the Order of Government, dated 2nd February 1864, No. 181. The provision made under F,IX cannot be applied for purposes of the Revenue Department.

(True Extract.)
