Proceedings of the Madras Government, Revenue Department, 26th February 1864.

No. 377. Read the following Proceedings of the Board of Revenue, dated 19th February 1864:—

Read the following letter from Æ. R. McDONELL, Esq., Acting Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 9th February 1864, No. 30.

SIR,

1. I have the honor to bring to the notice of the Board that much inconvenience is felt in consequence of there not being either a Sweeper or Massalchi attached to the Branch Treasury established at Ramnad.

2. The servants now attached to this Treasury are one Shroff and a Deputy. The Salt Amildar's Cutcherry was in the same building and up to very recently the Cutcherry servan ts gave all the required assistance; the office of Amildar under the new arrangement sanctioned on the re-modelling of the Salt Establishment has been abolished, and there is no person whose services are now available for sweeping out the Treasury rooms and trimming the lamps.

3. One man might perform both these duties and 5 Rupees a month is the least he could be given. I request permission for retaining such a servant (as a temporary arrangement) during 1863-64; his salary can be paid out of the 1,500 Rupees entered for extra Establishment under I. Land Revenue in the Budget. I would further solicit that the sanction of Government be obtained for the permanent entertainment of such a servant; with this view (if the Board approve) I will forward the application in the required Tabular form.

Ordered to be submitted to Government, with the Board's recommendation that the employment of a Sweeper on 5 Rupees a month in the Branch Treasury at Ramnad be sanctioned, under the circumstances stated by the Collector. This charge may be included in the general list of Establishment about to be submitted to Government by the Honorable Mr. Pelly, who has admitted the necessity for the Sweeper.

No. 378. ORDER THEREON, 26th February 1864, No. 351.

Resolved that the Board of Revenue be requested to report if the Massalchi and Sweeper, attached to the Establishment of the Head Assistant Collector who is to be placed in charge of the Branch Treasury at Ramnad, cannot also sweep the Treasury rooms, which cannot be many, and prepare lights when necessary. The business of the Treasury ought not to be performed late in the evening, unless under special circumstances.
