Proceedings of the Madras Government, Revenue Department, 27th February 1864.

No. 384. Read the following Proceedings of the Board of Revenue, dated 19th February 1864, No. 1,091 :—

Read the following letters.

From the Collector of Trichinopoly, dated 29th January 1864, No. 22.

1. I have the honor to acknowledge the receipt of the Order of the Board of Revenue (No.— of 26th January 1864), founded on the Proceedings of Government noted in the margin, and commenting on the state of the road between Salem and Trichinopoly, and the furniture of the Bungalows at Namculdroog and Tottiem.

No. 100 of 11th January 1864.

2. In reply I have the honor to state, that I travelled over the whole road, in one of Taylor & Co.'s Transits, between 12 P. M. of the 3rd and 4 A. M. of the 5th of this month, halting for about an hour at Namculdroog and Tottiem. Between daylight and sunset of the 4th, I could see the road well, and I should call its then condition, on the whole, good. It is very unequal however. The first few miles out of Salem are excellent ; then comes a bad rough bit ; but near Namkul the road again becomes good, and continues so, with the exception of perhaps a few hundred yards here and there, all the way to Trichinopoly. The section within this District is decidedly in better order than that in Salem. Between the upper Anicut and this station, it is excellent. There was a great deal of dust on the road, which I dare say, in rainy weather, would have been mud. Much, though not all of the road has been metalled, and new metalling was being laid down in many places as I came along. There is a supply of Crockery at both Namcul and Tottiem, and I send a list of furniture, &c., for Tottiem as per last return, also of Establishment. There appeared to me to be enough Crockery, &c., for at least four people at a time at each Bungalow ; and the buildings were clean and in good condition. Some trifling repairs were needed at Tottiem when I was there, and they have since been ordered.

ENCLOSURE No. 1.

ABSTRACT.—List of Furnitures, &c., and Establishment in the Tottiem Bungalow in the District of Trichinopoly:

From the Collector of Salem, dated Tripatur, 4th February 1864, No. 14.

With reference to the Proceedings of the Board of Revenue, dated the 26th ultimo, communicating Order of Government, No. 100, dated the 11th January 1864, I have the honor to state that the Travellers' Bungalow at Namkul is supplied with Crockery, Furniture and Establishment.

Submitted to Government, with reference to their Order dated 15th January 1864, No. 85. The Government will observe that both the Bungalows to which allusion is made are supplied with Furniture, Crockery and Establishment.
