## *Proceedings of the Madras Government, Revenue Department, 27th February* 1864.

No. 390. Read the following Proceedings of the Board of Revenue, dated 15th February 1864, No. 981 :—

Read the following letter from the Acting Collector of Madura, dated 4th February 1864, No. 23.

1. I do myself the honor to forward for the Board's perusal, translations of two Deeds apparently registered in proper form in the Principal Sudder Ameen's Court at this station.

2. One of these is the document referred to in Government Order, No. 2,376, dated the 24th of December last, and was registered in the Principal Sudder Ameen's Court on the 18th November last, as reported in Mr. Levinge's letter, No. 275, dated the 27th of the same month.

Board's Procs. 28th Dec. 1863, No. 8,175.

3. The other document is executed by and in favor of the same parties as in the first; it purports to be a grant to Ponnusamy Taver of three more villages, and in this Deed allusion is made to the execution of the first for the purpose apparently of establishing its validity.

4. The Board will observe that this second Deed was duly registered the day immediately succeeding that on which the former Deed was registered, viz., on the 19th of November 1863.

5. Mr. Levinge, when he wrote to the Board on the 27th of the same month regarding the registry of the first document, could not have known anything regarding the second document, otherwise he would doubtless have reported on the matter; I therefore called on the Government Vakeel for an explanation; in answer he reports, that it was by an accident he heard of the registry of the first document which he duly reported, but that he heard nothing regarding the second Deed; as it is not usual for the Courts to give the Government Vakeel notice in these matters.

6. Both the documents appear to have been registered in regular form.
