Proceedings of the Madras Government, Revenue Department, 2nd March 1864.

No. 18. Read the following Proceedings of the Board of Revenue, dated 19th January 1864, No. 354:—

Read the following letter from the Acting Collector of Cuddapah, dated Jammalamadagu, 19th December 1863, No. 184.

1. With reference to the Board's Endorsement, dated 13th October 1863, on Petition No. 2,099 of 1863 (herewith returned), calling for a report with reference to the Order of Government noted thereon, I have the honor to report that the Petitioner Buttala Vadda Chenchu having first applied to the late Deputy Collector Anna Row in 1860 for waste lands as per margin for cultivation, that Officer held an investigation of the matter during the Revenue Settlement of the Talook, and found that the land No. 220, formed the bed of a tank attached to Gullapalli, which was constructed by the Ryots of the same village for the express purpose of keeping water for their cattle; that the Petitioner had intended to cultivate the same to the great inconvenience of the cattle of that village; and that he ought not to be allowed to take possession of it. An Endorsement No. 66 was passed to that effect by the above Officer on his Petition under date the 3rd April 1860.
