PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 19th February 1864, No. 388.

Budget and Finance Department.

With reference to an application from the Inspector General of Ordnance and Magazines, I have the honor to request that His Excellency the Governor in Council will be pleased to direct the Civil Paymaster to pass Bills of the Superintendent of Stationery to the extent of Rupees 13,167 above the Budget provision for the current year on account of Stationery to be purchased through the Commissariat Department, against general savings under "F II, Salaries and Expenses of Public Departments."

2. I take this opportunity to observe that the Orders of Government, No. 512, dated the 13th August last, respecting the above-mentioned item, being met from savings in the Revenue Settlement Department, under "B I, 1 Land Revenue," have not been carried out as only a small portion of the sum in question appertains to that Department: even this cannot now be debited to it under the recent rulings of the Government of India, requiring the Departments which perform a service to bear the charge.

ORDER THEREON, 29th February 1864, No. 246.

The Civil Paymaster is authorized to pass Bills of the Superintendent of Stationery to the extent of Rupees (13,167) thirteen thousand one hundred and sixty-seven above the Budget provision for the current year on account of Stationery to be purchased through the Commissariat Department against general savings under "F II, Salaries and Expenses of Public Departments."
