Proceedings of the Madras Government, Revenue Department, 8th March 1864.

No. 74. Read the following Proceedings of the Board of Revenue, dated 23rd February 1864 :—

Read Proceedings of Government, dated 1st February 1864, No. 175, Revenue Department.

1. Communicated to the Collectors of South Arcot and Madras, who will make the necessary arrangements for the transfer of the Chunnambat Salt station from the latter to the former District.

2. The South Arcot Salt Deputy Collector should be deputed to receive charge. The head quarters of this Officer, as directed by Government, will hereafter be fixed at Mercanum, and Mr. Reade will see that the instructions of Government as contained in paragraph 8 of the G. O. are carefully attended to for the future. The Board trust that as Mahomed Eusuf's whole time will now be devoted to the duties of the special Department over which he presides, he will be able to give a more satisfactory explanation of the small sales of Salt for home consumption, in this prosperous and flourishing District, than the Board have yet obtained.

3. With reference to the concluding remark in this paragraph of the G. O. the Board observe that the word 'various' appears in the draft and was misprinted 'Paiyanur.'

4. The Acting Collector of Madras will be good enough to inform the Salt manufacturers of Chunnambat that their representations have been duly considered, but that the Government see no reason to modify the orders now passed. The Petition addressed to the Board will be forwarded to Mr. Banbury for disposal.

No. 75. Order thereon, 8th March 1864, No. 400.
