Proceedings of the Madras Government, Revenue Department, 9th March 1864.

No. 97. Read the following Proceedings of the Board of Revenue, dated 29th February 1864, No. 1,266 :—

Read again letter from the Collector of Cuddapah, dated 11th January 1864, No. 1, in Board's Proceedings 22nd January 1864, No. 443.

Read also the following letter from the same Officer, dated 6th February 1864, No. 11.

22nd January 1864, No. 443.

1. With reference to the Board's Proceedings as per margin, requesting me to more fully explain the want of a Bungalow at Duvur, and the conditions and plan on which it is proposed to be constructed, I have the honor now to enclose the plan (to be returned) for the same drawn by the Superintending Engineer. The native gentleman who wishes to build it is the Moonisiff of Duvur, and it is for the use of European travellers.

2. In my letter dated the 11th of December 1863, No. 180, I pointed out that if a Bungalow is granted at Kazipett, and which has been approved of by the Board, the accommodation for travellers through this District on the Kurnool road will be sufficient.

3. The Town of Duvur is sixteen miles from Kazipett.

Wide Board's Proceedings, 2nd February 1864.

4. I will here notice the Proceedings of Government dated the 28th January 1864, No. 149, in which they approve of a second class Bungalow being built at Nundial, but consider that it would be better to construct a second building at Chagulmurry, and leave out Kazipett, to which I beg respectfully to record my objection as it occasionally happens that the Pennair river comes down, and when it does so, Chagulmurry or even Duvur cannot be reached in an ordinary march.

ENCLOSURE No. 1.—Plan.

1. Resolved that the above letters be submitted to Government with the Board's recommendation that the proposed exchange of land at Duvur be sanctioned, the Curnum being granted fresh land assessed at Rupees 8-7-2, and his present Inám assessed at the same sum, being handed over for the site of the Bungalow which the District Moonsiff is desirous of erecting at that place for the accommodation of European travellers and being continued free of assessment so long as the building is applied to that purpose.

2. The Board concur with Mr. Smith in considering that Kazipett is preferable to Chagulmurry as the site of the second class Bungalow sanctioned in Government Order dated 28th January 1864, No. 149. The former place is conveniently situated at the junction of three roads (from Nundial, from Commum, and from Nellore) and Duvur is more centrally placed than Chagulmurry, as a half-way halting place between Cuddapah and Nundial.

No. 98. ORDER THEREON, 9th March 1864, No. 412.

1. The grant of the land free of assessment so long as the building proposed to be erected on it is available for the accommodation of travellers, is sanctioned.

2. The Acting Collector should suggest to the District Moonsiff (whose name should be reported) the advantage of closing one of the verandahs, so as to admit of two parties of travellers being accommodated at the same time, and will inform him that Government highly appreciate his liberal intentions.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd January 1864.

Read the following letter from the Acting Collector of Cuddapah, dated Pedamudiam, 11th January 1864, No. 1 :—

1. The District Munsiff of Duvur having applied for land free of assessment for the construction of a Public Bungalow at that place to the extent of 4 acres, 4 goontas, and 1½ annas, bearing an assessment of Rupees 8-7-2, which happens to be Karnicum Inam but well adapted for such a purpose. I during my recent visit to Duvur directed the Tahsildar to see if this land could not be exchanged for some other, and he informs me that the present holder consents to give up the land on the condition that other waste land to the extent of 5 acres, 31 goontas, and 10 annas, assessed at Rupees 8-7-2 be given him, which has been attached by Government as unclaimed Inam about twenty years ago.

2. I therefore have the honor to bring the case to the favorable consideration of the Board of Revenue with a request that the same may be granted.

The Acting Collector will please to explain more fully the need of a Bungalow at Duvur, and the conditions and plan on which it is proposed to be constructed.
