Proceedings of the Madras Government, Revenue Department, 10th March 1864.

No. 101. Read the following letter from Major C. SMITH, Madras Staff Corps, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 4th March 1864 :—

SIR,

1. Previous to my departure from England six months' English pay in advance was granted to me, with the understanding that this sum should be deducted by monthly instalments after my return to India. It will be observed that in page 20, paragraph 105, Pay and Audit Regulations, this course is authorized. The Civil Auditor informs me that there is no rule to this effect in the Civil Department, and does not feel himself authorized to depart from the existing rules without the authority of Government.

2. I need hardly point out it would be a great inconvenience to me to be without pay for nearly two months; under these circumstances I beg you will submit my request that the advance may be repaid by monthly instalments, for the favorable consideration of Government.

No. 102. ORDER THEREON, 10th March 1864, No. 414.
Referred to the Civil Paymaster for report.
