*Proceedings of the Madras Government, Revenue Department,
16th March 1864.*

No. 187. Read the following letter from N. MORISON, Esq., Secretary to the Income Tax Commission, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 10th March 1864, No. 2:—

SIR,

* Herewith returned.

1. With reference to the Order of Government No. 2,914 of 1863, forwarding a Petition* from D. Nagogee Row for report, I am desired by the Income Tax Commissioners for the Town of Madras, to state that the usual deduction on account of repairs was allowed to the Petitioner under Section 132 of Act XXXII of 1860 for the house occupied by the Commander-in-Chief. These deductions amounting to Rupees 550 and being equivalent to the rental value of the premises for two months.

2. In addition to these deductions, however, D. Nagogee Row claims a remission of Rupees 4,200 on account of extraordinary repairs incurred during the Income Tax year 1862-63, in consequence of the fall of a large beam in the second story of the house. The Commissioners having obtained their Assessor's report on the repairs, are of opinion that the sum of Rupees 2,500 may be deducted from the Petitioner's return under Schedule I of Act XXXII of 1860.

3. The Commissioners therefore solicit the sanction of Government under Rule 13, Section 97 of Act XXXII of 1860, for the deduction of a sum of Rupees 2,500 from the profits returned by D. Nagogee Row on account of the extraordinary charge to which he was subjected on account of the house."

No. 188. ORDER THEREON, 16th March 1864, No. 456.

1. The proposal contained in paragraph 3 of the foregoing letter is sanctioned.
2. The following endorsement will be passed on Petition 2,914 of 1863:—
