*Proceedings of the Madras Government, Revenue Department,
22nd March 1864.*

No. 243. Read the following Proceedings of the Board of Revenue, dated 10th March 1864, No. 1,471:—

Read the following letter from the Acting Collector of Madras, dated Trivallur, 26th February 1864, No. 92.

1. In forwarding the accompanying Statement for allotment of other Maniem, to Vettiyan Nainan of Pandur, I have the honor to bring the following circumstances relative thereto to the Board's notice.

2. Some ten years ago Nainan's Maniem was rendered useless by improvements carried out by Engineer's Department. The villagers allotted some land for him to cultivate in lieu of his now useless possessions. In Fusly 1271, orders were issued to charge him the assessment as he had no formal grant for the land he thus enjoyed.

3. He fell into arrears for Fuslies 1271 and 1272 to the amount of Rupees 5-1-4, and a bandy wheel, being, I presume, about the most valuable property he possessed, was attached, and the balance realized. The Vettiyan it is true had no formal sanction for enjoying the land he cultivated instead of his Maniem, but considering his poverty, and the circumstances under which he lost his former grant, I trust I may be allowed to refund the amount we have realized, viz., Rupees 5-1-4.

ENCLOSURE No. 1.

Vettiyan of Pandur, Trivallur Talook.	Nunjah. Cawnies 0-7-6.	Rupees 3-9-9.	The Public Works Department excavated earth in this Maniem for making some improvements to the tank bund. The depth thus excavated is about six or seven feet, and the land is thus rendered unfit for cultivation.	Nunjah Cawnies 0-6-4.	Rupees 2-8-8.	There is no other land available in the village to be given to the applicant excepting that now proposed; which the Ryots have with mutual consent given to the Vettiyan. The latter also will be only too happy to take up this land though it is smaller in extent than his old Maniem.
