*Proceedings of the Madras Government, Revenue Department,
22nd March 1864.*

No. 256. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 9th March 1864, No. 5,594:—

SIR,

1. I have the honor to submit for sanction an Estimate amounting to Rupees 450 for fitting up canvass partitions in the lower story of the building occupied by the Board of Revenue at Chepauk for the purpose of forming separate rooms for the use of the Uncovenanted Assistants, Sheristadars, &c.

2. The Board, at whose request the Estimate has been prepared, see no necessity for the screens being painted, but I have not thought it advisable to reduce the Estimate on that account, as, although paint is not absolutely necessary, yet it will give a proper finish to the work, I therefore recommend that early sanction be given for the execution of the Estimate from the savings entered in the following Statement:—

MEMORANDUM.

The undermentioned savings on allotments may be recommended to be diverted to meet the expenditure on Estimate Rupees 450 for putting up canvas partitions in the lower story of the Revenue Board Office in Chepauk.
