*Proceedings of the Madras Government, Revenue Department,
23rd March 1864.*

No. 285. Read the following Proceedings of the Board of Revenue, dated 16th March 1864 :—

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Coimbatore, 11th March 1864, No. 41 :—

SIR,

1. I have the honor to inform you that eleven houses belonging to Burghers at Jackanary, in Paranginad village on the Neilgherry Hills, were destroyed by fire on the 14th ultimo, and property consisting of grain and other articles to the value of Rupees 723-12-0 was consumed by the fire.

2. The Burghers are poor and have no means of re-building their houses without some aid from Government. They request permission to fell wood necessary for the purpose from the Government forests. According to the existing Rule* of the Forest Department, Ryots cannot cut timber for building purposes without payment of the usual tax; to enforce the rule, in the above instance, will be a great hardship, I therefore request that the orders of Government for a relaxation of the rule in the present instance may be solicited.

Submitted for the sanction of Government, the Collector being required to take the necessary precautions to prevent abuse of the relaxation.

No. 286. ORDER THEREON, 23rd March 1864, No. 505.

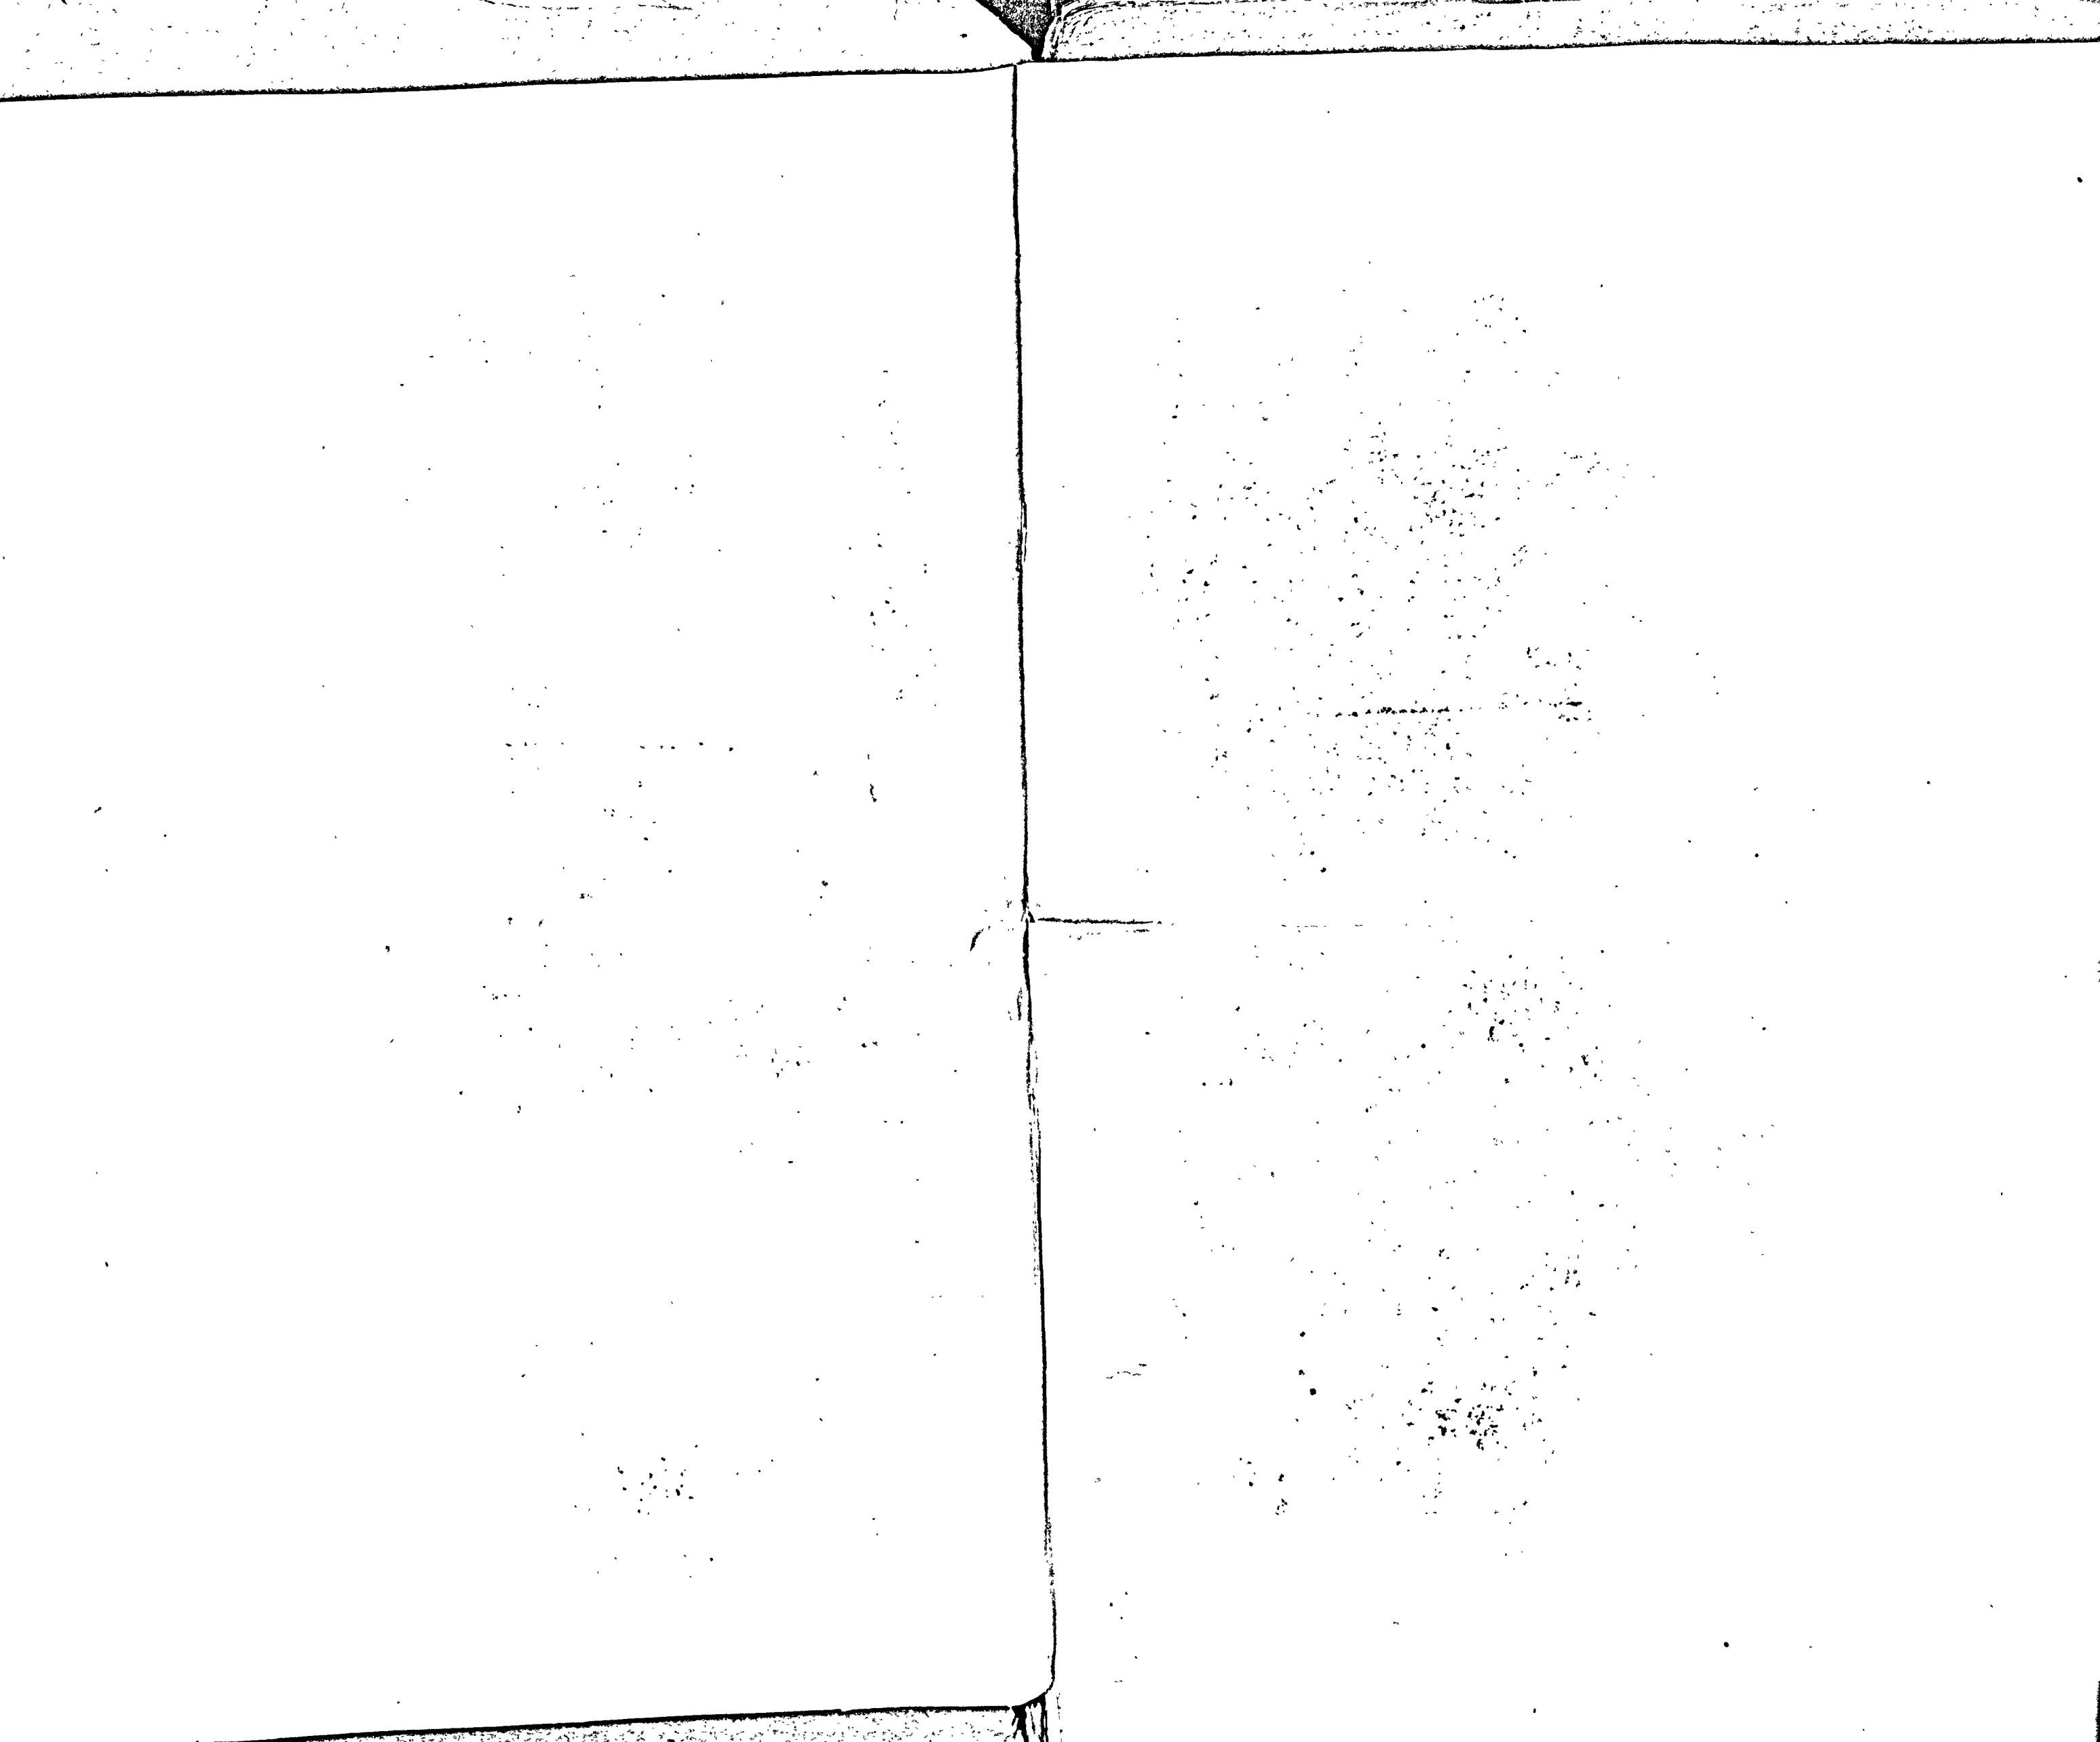

The Government sanction remission of the seigniorage chargeable on the timber required by the Burghers for the purpose stated, but the trees to be felled must first be marked by the Forest Officers.
