Proceedings of the Madras Government, Revenue Department, 30th March 1864.

No. 325. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 26th March 1864, No. 862 :—

SIR,

1. I have the honor to forward copy of a letter from Lieutenant Borradaile, Assistant Conservator, Salem District, by which you will perceive that he has quitted his District without being relieved.

2. On the 11th of March 1864, I forwarded Lieutenant Borradaile's application for leave preparatory to his appearing before a Medical Board, and at the same time informed him that he should be relieved as soon as possible. Forester Hall has left Coonoor this day to relieve him. Lieutenant Borradaile's leave has not yet appeared in the Gazette ; and in the absence of an Emergent Certificate, I do not consider that he was right in quitting his District, and I cannot sanction his handing over charge to a Native Overseer.

3. There are considerable money transactions for working charges, &c., in the District, and I consider it important that he should hand over in person to Forester Hall ; in the absence therefore of a Medical Certificate to the effect that he is unable to do so, I would suggest that he is ordered to return to his District and hand over charge in proper form.

No. 326. ORDER THEREON, 30th March 1864, No. 524.
Forwarded to Captain Borradaile for explanation.

To

Capt Beddome

Officiating Conservator of Forests.

Sir.

I have the honor to report that I waited for Mr Forester Hall to relieve me, but as yet he has not appeared: I have therefore handed over charge of the office to Mr Meerun Mahomed Ali who can manage the duties until relieved. I was desired to be at Madras on the 22nd so that my case might be circulated previous to my appearing before the Medical Committee on 30th inst and I cannot consequently remain here any longer without running the risk of missing the first Steamer next month.

2. I will forward from Madras a rough draft of the operations of the current official year for the use of my successor.
