No. 332. Read the following letter from N. MORISON, Esq., Secretary to the Income Tax Commission, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th March 1864, No. 4:—

SIR,

1. With reference to the Order of Government No. 257, dated 11th February 1864, I am desired by the Income Tax Commissioners for the Town of Madras to report that a refund for Rupees 262-8-0 has been granted to the Trustees of Patcheappah's Charities. The delay in granting this refund has arisen from the fact of the Trustees having delayed the submission of the necessary certificates from the Accountant General, these documents having reached this Department on the 14th instant.

2. The five original enclosures which accompanied the Order under reference, are herewith returned.

No. 333. ORDER THEREON, 31st March 1864, No. 528.

Sir,

I am directed by the Presidents and Trustees of Patcheappah's Charities to request that they may be favored with an early answer to my letter dated 5th March 1861 praying generally that the charities of Patcheappah Mordeliar and those of Govindoo Naidoo and Streenevassa Pillay may be exempted from the payment of the duties chargeable under the Income Tax Act and particularly requesting the issue of the necessary orders for the refund of the sum that had been already deducted by the Accountant General. Though the matter seemed to be and been thrice taken up by Government for consideration notwithstanding it had been once decided by them on the 9th November 1860 yet their final orders were passed on the 6th April 1861

No 766 exempting from the payment of Income
Tax the whole of the receipts on account of Pathekapitals
Charities land or excluding a small portion viz
Rupees 2766-1-8 which they said were expended
for the benefit of the Souls of Pathekapitals Gnanadesikar
and his family. The Government further ordered
that all this exclusion it not to be and take effective
effect. Since the date of this order the deductions
on account of Income Tax made by the Accountant
General from the Interest payable by him for the
funds in his hands have been in accordance
therewith. But the Trustees observe that though
the Interest on the Bonds in their hands amounting
to Rupees 53,000 is included among the receipts
as appearing from the marginal entry in the Commence-
ment of the Government order dated 6th April 1861
yet the Accountant General has invariably
subjected this amount of Interest to a deduction
of Income Tax and this you will no doubt observe
is opposed to the Spirit of the said order of
the 6th April.

The Trustees therefore request that the
Commissioners will be good enough to furnish
them with the necessary certificates for the refund
