Proceedings of the Madras Government, Revenue Department, 12th January 1864.

No. 119. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 12th December 1863, No. 78:—

SIR,

1. In obedience to the Order of Government, dated 7th instant, No. 2,219, I have the honor to submit a revised Tabular Statement for the proposed increase to the salary of the Manager of my Office.

2. Looking to the short period the Inám Commission will continue, I submit it is hardly necessary to place the proposed addition of salary under the head "Temporary," as such an arrangement may possibly at a future date affect the interests of the incumbent under the Pension Rules. He is already a servant of fifteen years' standing.

No. 120. ORDER THEREON, 12th January 1864, No. 61.

1. Resolved that the Tabular Statement be forwarded to the Government of India for sanction.

2. Referring to paragraph 2, the Government observe that the charge in question is considered a temporary one, because such is the nature of the Establishment to which it appertains; but its entry in the Tabular Statement under that head need not have the effect supposed by Mr. Taylor.

No. 121.

From

J. D. SIM, Esq.,
Secretary to the Government of Fort Saint George,

To

The Secretary to the Government of India,

SIR,

1. I am directed to forward, for submission to the Government of India, the accompanying Tabular Statement for raising the salary of the Manager of the Office of the Inám Commissioner from Rupees 175 to Rupees 200 per mensem.

2. In support of this proposal the Inám Commissioner states that the salary of the appointment in question was intended to be regulated by the scale of pay drawn by the Collectors' Sheristadars, and this scale which was originally fixed at Rupees 175 having since been raised throughout the Presidency to Rupees 200 per mensem, he considers the Manager of his Office should be placed on the same footing. The Commissioner adds that the present incumbent was a Sub-Division Manager when chosen for the post, and that its duties which are of a very onerous and important nature have been ably and zealously performed by him for upwards of three years.

3. The Government consider the proposed increased rate of salary to be only a fair remuneration for the duties of the office, and they desire me to recommend it for the sanction of the Government of India, with effect from 1st April 1864, and to continue until the Commission closes its work. The additional charge involved by the proposal, viz., Rupees 32-8-0* per mensem, I am directed to state may be met from savings in the Budget for 1864-65.
