*Proceedings of the Madras Government, Revenue Department,
15th April 1864.*

No. 241. Read the following Proceedings of the Board of Revenue, dated 5th April 1864,
No. 1,997:—

Read the following letter from the Collector of Tanjore, dated 12th March 1864, No. 75.

1. During my late visit to Negapatam, I inspected in company with Captain Bean, the Superintending Engineer, the late Talook Cutcherry and the building formerly occupied by the District Treasury previous to its removal to Tranquebar, and latterly used as a Magistrate's Jail and Moonsiff's Court.

2. These buildings which are situated at Kanambadi, a distance of two miles from Negapatam, were built at the same time and form part of the same block as the late Civil Dispensary, the demolition of which was sanctioned by Government in their Proceedings of the 23rd October 1863, No. 1,919.

3. They are likewise in a most ruinous state, the roof of one of them having in some places fallen in, and are not worth being repaired; further they are not likely to be required for any public purposes. Under these circumstances I have the honor to request that the Board will obtain the sanction of Government for having the buildings pulled down, and the bricks and rubbish made use of for repairing the roads in and about the Town of Negapatam, and which from the heavy traffic thereon, are in frequent need of repair.

4. The timber, tiles, &c., and such articles as cannot be appropriated for public purposes, I would propose to sell by public auction.

5. I may add that the Superintending Engineer fully concurs in the propriety of the proposal now made.

Submitted for the sanction of Government.

No. 242.
