*Proceedings of the Madras Government, Revenue Department,
15th April 1864.*

No. 245. Read the following letter from C. W. READE, Esq., Magistrate of South Arcot, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Mercanum, 29th March 1864, No 18 :—

SIR,

1. The Orders of Government under date the 22nd March, No. 488, have been duly communicated to me through Mr. Pelly, and the sanction therein accorded for the establishment of a Sub-Magistrate's Office at this station will be at once acted upon.

2. The Government in their Proceedings of the 1st February last, No. 175, decided that the services of the Deputy Collector in charge of the Salt be exclusively restricted to his immediate duties connected with the Department over which he presides, but I am sure the Government will not withhold their sanction from an arrangement which, in view to the public convenience and to a saving of expense to the State, I have taken on myself to authorize in anticipation, and that is, that Mahomed Esuff Sahib, as Deputy Magistrate shall try and dispose of all Criminal cases falling within his jurisdiction which may be committed to him by the new Sub-Magistrate at Mercanum.

3. The Deputy Collector will have no special magisterial charge, but since he will be on the spot during the greater part of the year and the cases will be very few, judging from past experience, I think it very desirable that Mahomed Esuff Sahib should be permitted to exercise his functions to the extent I have assigned. His duties in the Salt Department when at Mercanum are not so onerous as to be interfered with by his occasional disposal of magisterial work, while the very great convenience to the public which such arrangement will prove by saving a number of persons, prosecutors, witnesses and prisoners from proceeding between 30 and 40 miles for trial are sufficiently obvious, and I am quite sure Government will not disapprove of the directions I have given to this effect in anticipation of their orders.

No. 246. ORDER THEREON, 15th April 1864, No. 637.

The arrangement proposed by the Magistrate of South Arcot in this letter is approved (infractions of the Salt laws being excepted) as a temporary measure, subject to report by Mr. Clarke after he has visited the Salt Pans of the District.
