*Proceedings of the Madras Government, Revenue Department,
18th April 1864.*

Read the following letters :—

No. 275. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 26th March 1864, No. 863.

SIR,

1. I have the honor to forward copy of a letter from Major Morgan, Assistant Conservator of Forests, and to request that as the services of the Timber Writer and two Peons are absolutely necessary during the ensuing season on account of the increased transport of timber from the Mudumallay Forests to Ootacamund, the sanction of Government may be given for the same, provision has been made in the Budget as explained by Major Morgan.

2. I also request sanction that Major Morgan may be allowed to draw travelling batta for the Karkhana Manager in bills passed by the Civil Paymaster instead of out of the Contingent charges as hitherto, as provision has been made in the Budget under the head of "Travelling Allowances."

No. 276. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 7th April 1864, No. 873.

SIR,

1. I have the honor to forward copy of a letter from the Assistant Conservator, Mudumallay, in which he applies for an increase of pay for Kistnappah, the Manager of the Mudumallay Forest. Kistnappah has served six years in the forest, and he is about to have charge of a small Teak Plantation in addition to his other duties. I think therefore that his salary may be raised from Rupees 30 to Rupees 50 per mensem as proposed by Major Morgan.

2. The increase might be paid out of the Contingent expenses during 1864-65, but afterwards included in the pay of the Establishment.

No. 277. ORDER THEREON, 18th April 1864, No. 653.

1. In these letters the Officiating Conservator of Forests recommends for sanction certain alterations in, and additions to, the Mudumallay Forest Establishment. His proposals are :—

First.—That a Timber Writer be employed on Rupees 14 a month.

Second.—That the office of Assistant to the Superintendent of Contractor's carts on Rupees 12 per mensem be abolished, and two Peons entertained in lieu on Rupees 6 each per mensem.

Third.—That the travelling batta of the Karkhana Manager, viz., Rupees 120 per annum, hitherto paid out of the Contingent allowance, be hereafter drawn on bills passed by the Civil Paymaster.

Fourth.—That the pay of the Manager just referred to be raised from Rupees 30 to 50 per mensem, the increase to be met during 1864-65 out of the Contingent expenses, but afterwards to be included in the pay of the Establishment.

2. Before acceding to the first and second of these proposals, the Government wish to be distinctly informed whether the Timber Writer and two Peons therein referred to are to be employed on a permanent footing or only during 1864-65; if the former, fuller explanation as to the necessity of the charges than that now furnished should be laid before them.

3. As to the third proposal the Government wish it to be explained under what authority batta to the amount of Rupees 120 a year or Rupees 10 a month is disbursed to the Karkhana Manager. The sanctioned scale, it is observed, does not provide for such a grant to this individual.

4. The explanation furnished by the Officiating Conservator in respect to the fourth proposal, whereby the salary of the Karkhana Manager will be almost doubled, is too meagre to justify the Government to sanction it. They will therefore await any further explanation which

Captain Beddome may have to offer in support of this recommendation, and in submitting it he will state why the proposal was not brought forward before the Budget for 1864-65 was closed.

5. Captain Beddome's proposals ought to have been shown in a Tabular Statement in the prescribed form, and he will be desired to forward such a Statement when replying to this Order.

Sir,

I have the honor to inform you that as the timber to be received in 1863, was up. It is not deemed it necessary to continue the service of the Timber Ward Writer during the year and in consequence gave credit to Government who have accordingly remarked in their order No 2615 dated 13th December 1862 "and during the Budget Estimate of our department."

2. During the ensuing year a large amount of wood is to be received at, and despatched from the Timber Depot for the supply of the "Lawrence Pylonia works" at "Lovedale" therefore consider the service of a writer to measure the logs and keep accounts of them, is substantially requisite and request you will obtain the favorable sanction of Government pointing out the necessity for the intervention of a writer in charge of the Timber Depot on Rs 1400 per annum as paid in last year, provision for which was made in the Budget for the next year and is passed by the Madras Government under the head of

Office Establishment.

3. The Travelling Batta of the Kachana Managers was hitherto paid out of the Contingent allowance under provision inserted in the Budget for that purpose. Since Government have redefined it, and included in the item of the Travelling charges Rs 24,000 consisting my own consolidated allowance of 1000 Rupees and the Kachana Managers 1200 Rupees per annum. I request you will obtain the sanction of Government allowing me to draw, like my own allowance, the Batta of the latter on Bills passed by the Civil Paymaster who I believe will refuse to pass if I send any Bill without the special authority issued to that effect.

4. In the scale of the Forest Establishment sanctioned by the Government of India in 1851, dated 3rd May 1852, Financial Department, an amount to the Superintendent of Contractors Cuts on Rupees 5000 per annum is provided for, but such amount being unnecessary the sum is to be distributed in the shape of 2 persons @ 600 Rupees each whose services are required to transact the despatch of timber from Musinygoody to Cochin and &c. I therefore request you will have the necessary orders passed by Government on that account so that no objection may be raised by the Civil Paymaster when he sees such entry in my Abstracts of the Establishment.

I have the honor to be
