2. I have the honor to refer the Board to the correspondence noted in the margin, and to request that they will be good enough to inform me whether they wish or do not wish the commutation of these money allowances into land at the present time. The village of Antravedi, to which particular reference has been made, is situated in a part of the Sub-division where the new settlement has not yet been introduced.

Ramachendrapur,
19th February 1864.

(Signed) H. MORRIS, *Acting Collector.*

Board's Proceedings 2nd March 1864.

1. Resolved that the above letter, paragraph 3 of which has already been submitted to Government, be submitted for the consideration and orders of His Excellency the Governor in Council, with reference to the Orders of Government under date 14th November 1863 and 1st February 1864, numbered respectively 2,047 and 169.

2. The Government will observe that Mr. Morris has now submitted a list of Pagodas and Yeomiahdars receiving money allowances, and that he will shortly submit the list of allowances claimed by Pagodas to which reference is made in the first of these Orders; that he confirms the Board's opinion as to no intervention of Government being necessary under Act XX of 1863, as already reported in Board's Proceedings under date 2nd March 1864, and that he solicits instructions as to whether he is at once to carry out the Orders of Government regarding the commutation of the allowance to the Antravady Pagoda for land.

3. In the correspondence to which Mr. Morris alludes in paragraph 2 of his letter the Board have ruled that, so far as the Godavery District is concerned, the commutation of the Pagoda allowances for land must be deferred until the revised settlement is fully introduced into the District—though the preliminary steps for adjusting the commutation may be at once taken. As the Pagoda of Antravady is situated in a village where this settlement has not yet been introduced, the Board suggest that the commutation be deferred in this case as in others.

Proceedings of the Madras Government, Revenue Department, 19th April 1864.

4. The information contained in the list of allowances now submitted is incomplete; and the Collector is requested to quote the dates of the correspondence in which sanction was given for the various payments, though the Board presume that the Government would be inclined to view all these allowances as perpetual, and therefore commutable for land if they have been paid from the Treasury for a long series of years.

No. 295. ORDER THEREON, 19th April 1864, No. 660.

The Government approve the suggestion made in paragraph 3 of the Board's Proceedings to defer the commutation of the Pagoda allowances paid in the Godavery District into land until the revised settlement is fully introduced into the District.
