*Proceedings of the Madras Government, Revenue Department,
19th April 1864.*

No. 300. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th April 1864, No. 1,695:—

SIR,

1. In my letter dated 30th January 1863, No. 1,445, I requested permission for the continuance of the temporary Establishment for the revision of Revenue Establishments entertained in the Board's Office till the end of the current official year. This was sanctioned by the Government of India in their Proceedings dated the 16th March 1863, No. 924, communicated to me with the Government Order dated 15th April 1863, No. 665, but as the sanction will cease after the end of the current month, I have the honor now to submit for the information of Government that although a considerable portion of the revision has been completed it will yet be sometime before the general Statement of the revised Establishments and other matters connected with the revision could be finally closed and submitted to Government, and as the services of the small temporary Establishment now retained will be required till this is done, and as several other Statements in connection with the Village Establishments still remain to be prepared, I beg that permission may be granted for the retention of the present Establishment till the end of the ensuing official year. The cost of the present Establishment is only Rupees 60 per month, and will probably be sufficient for the completion of the work still remaining to be done. As soon as the work abovementioned is finished, the Establishment will be dispensed with.

2. I beg to submit a Tabular Statement in the prescribed form for the Establishment in question.

No. 301. ORDER THEREON, 19th April 1864, No. 663.

This application will be submitted to the Government of India for sanction.

(True Extract.)

(Signed) J. D. SIM,

Secretary to Government.

To the Honorable C. Pelly.
