*Proceedings of the Madras Government, Revenue Department,
20th April 1864.*

No. 318. Read the following letter from J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 14th April 1864, No. 452 :—

SIR,

1. Referring to the Orders of Government in the Revenue Department Nos. 1,997 and 2,009, dated respectively 6th and 7th November 1863, I have the honor to enclose a Bill of the Deputy Collector of North Arcot, received through the Civil Paymaster, on account of compensation due for lands taken up for certain channels, amounting to Rupees 1,594-4-7, and to state that no provision has been made for the charge either in the Civil or in the Public Works Budget for the current year.

2. From the reply to a reference made to the Deputy Collector of North Arcot, it now appears that in the communications of the Acting Collector of that District, recorded in the abovementioned Proceedings of Government, it was inadvertently asserted that provision has been made in his Budget Estimate.

3. Under the above circumstances, I request that the Civil Paymaster be directed to pass the Bill in question out of the undermentioned general savings in the grant, for the current year, under "BI, 1 Land Revenue," which appears to be large enough to meet it.
