1. Orders have been received from the Government of Madras to allow sundry articles required for the maintenance of the people of Adadwip to be exported, duty free, to that place from Monjei Chendia and Bingey of the aforesaid (Ankola) Talooka. It is therefore directed that articles such as Rice, Batty, &c., may be passed, free for shipment, to Adadwip for that purpose. In order to prevent the re-export from the said Adadwip of any of the articles so imported there, to any foreign port, the exporters should be required to prepare a list of the articles to be exported, and to get it signed by the Commandant of that place (Adadwip) certifying that the said articles are required for the maintenance of the people of Adadwip only. On the production of such certificates the goods above specified are to be allowed to be exported free of duty, similar certificates need not be issued from this Department. The lists so furnished, together with accounts of these goods, detailing the names of exporters, description of articles to be exported, dates on which exported, Tariff value, Customs duties leviable thereon, &c., should be transmitted weekly to this Office after retaining a copy thereof for office record. No goods are to be allowed to be exported duty free without the production of the lists above described.
2. Annexed is a communication addressed to the Commandant (on the subject) to whom it should be delivered, and any reply thereto received from the latter, should be forwarded to this.
